EDITORIAL

Some people recently tried to hijack the GEA: Funds diverted; Committee postings blocked; Misinformation promoted via gea@yahoogroups & <http://gea-muc> & hijacked monthly programme, promoting an improper call to convene an EGM (that only GEA committee can call), to dump committee & constitution & snatch control of GEA shortly before annual elections (due in March).

Communications being disrupted, we revert to the GEA's original & first ever web <http://gea.berklix.org> & mail list: gea@berklix.org. Many more have recently joined, if you have not yet, try mailing gea-subscribe@berklix.org (or postmaster@berklix.org if you have problems).

Early spring, the committee will arrange for annual elections. Subscribe now, to get not just uncensored event announcements, but also to ensure you are known as a member entitled to vote later. (Some may be more interested to check membership at next election).

Committee members welcome your event suggestions & volunteers to help run the GEA &/or its events both before &/or after elections.
