### NOT ENOUGH EVENTS ! BORED ?

- Propose an impromptu short notice event (eg cinema) to [gea-members@berklix.org](mailto:gea-members@berklix.org) , or a walk to [gea-walk@berklix.org](mailto:gea-walk@berklix.org) or ski trip to [gea-ski@berklix.org](mailto:gea-ski@berklix.org)
- Mail an event you later plan to attend &/or co-ordinate to: [programme@berklix.org](mailto:programme@berklix.org).
- Many GEA people are also members of various other groups too, see <http://berklix.com/jhs/txt/munich.html> inc. eg <http://www.toytowngermany.com/munich/> (Take a spare GEA programme to give away, cross promoting club events gives variety)
- Deutsch Mit Freunden separated from GEA, their events here. <http://deutsch-mit-freunden.de>
- We welcome your event suggestions & volunteers to help run events.
- Participation in GEA events is at your own risk.

### EDITORIAL

- Choose events from 2 programmes: Old editor resigned 17th Sept, then joined the power grab. This editor was appointed by the committee 1st Dec. Communication (email, web & programme) disrupted between GEA membership & its elected committee, so getting event info in & out was difficult.
- The call for a fake EGM broke Constitution rule 12 (must be proposed at a quorate extra-ordinary committee meeting). Many were conned by propaganda: some nice reform ideas camouflaging the real power grab. Few asked committee members if GEA communications were hijacked, & democracy subverted.
- Annual elections are due in March. Committee look forward to retiring then. Power grabbers want No elections.
